

Risk Management Policy

A Treasury Wine Estates Limited Policy

1. INTRODUCTION / CONTEXT

Treasury Wine Estates (TWE or the Company) continued growth and success depends on our ability to understand and respond to the challenges of the environments in which we operate. By understanding and managing risk, we provide greater certainty and confidence for all our stakeholders through safeguarding our growth strategy.

TWE is committed to the ongoing development of a strategic and consistent Company wide approach to risk management, underpinned by a risk-aware culture. This ensures that we are taking and managing risk in an informed way. The purpose of this Policy is to define the minimum required practices related to the management of risk across TWE operations.

2. WHO THIS POLICY APPLIES TO

This is a group-wide policy and applies to all operations in all countries within which TWE operates. The policy is supported by the Risk Management Framework.

3. KEY PRINCIPLES

The effective management of risk (both financial and non-financial) is vital to the continued growth and success of TWE. For risk management to be effective, all operations must apply the following principles in the context of their particular business and its objectives:

- Risk management will create and protect value by generating awareness around the amount of risk that we are taking
- Risk management is integrated into organisational processes
- Explicit risk management helps decision-makers make informed choices
- Risk management is focused on the sources of uncertainty around the achievement of objectives
- Risk management must be tailored to the context and fit for purpose
- Risk management is dynamic, iterative and responsive to change.

4. POLICY STATEMENT

TWE has adopted the risk management process described in the Australian/New Zealand Standard on risk management (AS/NZS ISO 31000:2018 Risk management – Principles and guidelines).

In addition, the Group is subject to the Governance Principles and Recommendations, which set out recommended corporate governance practices for entities listed on the ASX. Principle 7 requires Securities, that a listed entity should establish a sound risk management framework and periodically review the effectiveness of that framework. The Group is committed to complying with this principle.

The way in which this process is to be enacted within TWE is described in the Risk Management Framework. All risk management systems and methodologies must be consistent with this process.

The broad effect of this is set out in the 'Responsibilities' section below.

In line with the commitment to the effective management of risk, TWE commits to the allocation of necessary resources to those responsible for the management of the processes.

5. VARIATION FROM POLICY REQUIREMENTS

Any variations from the above policy requirements must be approved by the Chief Executive Officer and reported to the Audit & Risk Committee of the Board.

6. RESPONSIBILITIES

Everyone at TWE is responsible for the effective management of risk, including identifying risks, responding to risks, mitigating risks, and reporting risks.

Key responsibilities include:
