TWE Strikes Gold at 2013 International Wine Challenge

Treasury's portfolio wins over 100 awards including 13 gold medals

Wines from across the Treasury Wine Estates (TWE) portfolio received accolades at the highly acclaimed International Wine Challenge (IWC) in London on Monday, May 13. TWE collected more than 100 awards at the London event including 13 gold medals won by brands such as Devil's Lair, Matua, Penfolds, Rosemount Estate, Saltram, Wolf Blass and Wynns Coonawarra Estate.

Treasury Wine Estates CEO, David Dearie said: "These outstanding awards are testament to our ongoing focus on quality and the strength in depth across the TWE portfolio. This is a great reflection not just on the winemaking expertise within TWE but also on the diversity of wine styles cultivated across key wine regions of Australia and New Zealand. It's great to see that Australia is now closing the gap on France as the world's most awarded country at this leading international wine show."

Rosemount Estate's medal for the 2011 Nursery Project Graciano Mataro Grenache, was heralded by the IWC as one of the night's "most exciting Gold medals" given the Graciano grape is typically grown in Rioja, Spain. According to the IWC, the wine demonstrated that "Australia has a bright future with Iberian red varietals."

In its 30th year, the International Wine Challenge is recognised as one of the best and most influential 'blind' tastings in the world. Each medal winning wine is tasted on at least three separate occasions by a minimum of 10 different judges. The IWC is committed to helping consumers discover great wine, and the medals are displayed on winning bottles to offer a trusted guarantee of quality.
