## TWE's Golden Month Continues

*Treasury's portfolio claims more gold medals at international wine shows*

Wines from across the Treasury Wine Estates (TWE) portfolio have collected more than 200 trophies, awards and commendations at prestigious international wine awards over the past three weeks.

The first international accolades were announced Concours Mondial de Bruxelles on May 10 – 12, where TWE wines were awarded 15 medals. This included one Grand Gold Medal for the Matua Valley Single Vineyard Marlborough Chardonnay 2011, and gold medals for the Black Grape Society, Wolf Blass, Lindeman's and Beringer.

Entrants in the London-based International Wine Challenge achieved similar recognition, with 13 gold medals awarded to Devil's Lair, Matua, Penfolds, Rosemount Estate, Saltram, Wolf Blass and Wynns Coonawarra Estate.

TWE's gold medal run continued with the world's leading wine competition, the Decanter World Wine Awards, where wines from the portfolio collected 85 awards including three trophies and five gold medals. Trophies were awarded to Heemskerk Chardonnay Pinot Noir 2008, Penfolds Bin 389 Cabernet Shiraz 2010 and Matua Single Vineyard Chardonnay 2011.

Treasury Wine Estates CEO, David Dearie said: "Our wines continue to receive accolades both at home and overseas, and this is a testament to the unwavering focus on quality of our winery and winemaking teams. I am thrilled to see wines from our Australian, New Zealand and US portfolios achieve such recognition. We represent wines that are geographically and stylistically diverse, but our dedication to quality is single-minded."
