

# SUSTAINABILITY REPORT 2019 – GLOBAL HIGHLIGHTS

TREASURY  
WINE ESTATES

At the core of Treasury Wine Estates (TWE) is a commitment to being sustainable in everything we do. This Report highlights the strong progress we have made across every aspect of our Corporate Responsibility (CR) agenda throughout F19.

TWE is a leading global wine producer with a significant global footprint. As such, we acknowledge the leadership role we play in sustainability across the many communities in which we operate.

We look forward to continuing to share our journey with you in the coming years.
